ORDER GRANTING JOINT MOTION TO TRANSFER VENUE

Before the Court is the Parties' joint motion to transfer venue (docket entry #196) to the Southern District of Texas, Houston Division, before the Hon. Keith Ellison, United States District

Judge. Judge Ellison has agreed to accept all of the pending lawsuits alleging that high temperatures are injuring TDCJ prisoners. Consistent with 28 U.S.C. § 1404(a), the parties have shown that such transfer (1) is for the convenience of the parties, (2) is in the interest of justice, and (3) promotes judicial economy by trying actions with similar facts of law in one forum before one judge. For these reasons and those stated on the record, the Court finds that the joint motion to transfer venue is meritorious. It is therefore

**ORDERED** that the joint motion to transfer venue (docket entry #196) is **GRANTED** and the above-styled and numbered lawsuits are **TRANSFERRED** to the Southern District of Texas, Houston Division, to be assigned to United States District Judge Keith Ellison. 28 U.S.C. § 1404(a) and Local Order 95-2.

**So ORDERED and SIGNED this 17th day of November, 2014.**

  
JOHN D. LOVE  
UNITED STATES MAGISTRATE JUDGE
